

DEFUND PLANNED PARENTHOOD!

Petition to: United State Congress

Whereas: Planned Parenthood raked in \$700 million through federal funding last year – a \$29 MILLION increase;

Whereas: The Abortion Goliath ended 392,715 little preborn lives last year – 18,560 more babies murdered than the year before;

Whereas: Planned Parenthood has been targeting kids with sex-altering and sterilizing “hormone therapy;” and

Whereas: In recent years, Planned Parenthood spent \$50 million to elect pro-abortion politicians who will keep the taxpayer-funded gravy train going.

Therefore: I insist you do everything in your power to defund 100% of Planned Parenthood’s taxpayer funding immediately!
